

Metra Electronics, a privately held manufacturing company, headquartered in sunny Central Florida. Metra is the premier manufacturer of after-market car stereo installation kits, the installers' choice. We have been the leader in the aftermarket industry since 1949. Our foundation was built on the design and manufacturing of ABS dash kits for aftermarket radios. Over the years we have expanded into many other industries, like electronic interfaces, home theater, vehicle lighting and safety. We have been providing installation products to installers and distributors for over 75 years. As we continue to flourish, we are seeking results orientated people. We currently have an opening for a **MOLD REPAIR MACHINIST** in our **TOOL ROOM** department.

**MOLD REPAIR MACHINIST:**

- MUST BE ABLE TO LIFT 50#
- Experience in servicing injection molds
- Trouble shooting issues
- Able to make repairs as needed
- Machinist, able to make replacement parts as needed
- Mill work
- Surface grinding
- Polishing
- Able to hold tolerances
- Able to work independently

Position requires the individual to have **3-5 years' machine experience**, be a self-starter, with your own tools, be able to lift 50#'s and be a quick thinker, highly motivated problem solver with a high degree of common sense. Must be a team player and be able to communicate well with all members of the team. This position demands someone flexible and able to wear many hats as it requires you to switch roles as business necessitates.

The individual will be expected to maintain a safe and clean work environment, contributes to team effort and be able to work and communicate with diverse backgrounds. Positive CAN-DO attitude a must. Overtime may be required at times as business requires. Work schedule is 40 hours a week. Journeyman certificate/papers is a major plus but not necessary. We are willing to train you to be a journeyman in our apprentice program.

**We offer competitive wages, paid vacations/holidays, medical/dental/vision & 401K with a company match. If Interested please submit a resume with pertinent information illustrating salary history, your qualifications, and position applying for to:**
