

Metra Electronics, a privately held manufacturing company headquartered in sunny Central Florida is searching for results orientated people to join our growing team. Metra is the premier manufacturer of after-market car stereo installation kits, the installers' choice. We have been the leader in the aftermarket industry since 1949.

Our foundation was built on the design and manufacturing of ABS dash kits for aftermarket radios. Over the years we have expanded into many other industries, like electronic interfaces, home theater, vehicle lighting and safety.

We have been providing installation products to installers and distributors for over 70 years with 5 other distribution centers nationally. As we continue to flourish, we are seeking results orientated people. We currently have an opening in our IT dept for a PHP Web Programmer.
