DEAR CUSTOMERS AND FRIENDS,

Metra Electronics® celebrates its 73rd anniversary in the autosound and aftermarket mobile electronics industry with the introduction of new products and brands that will help your business provide a wider range of services at an affordable price. As emerging vehicle technology presents new challenges for installers, Metra can help your business with problem-solving solutions designed for people who want to work smarter, not harder.

In addition to the numerous dash kits we release throughout the year, our latest solutions go beyond the standard Double-DIN or Single-DIN radio provisions, allowing you to install newer head units that are larger non-standard sizes while maintaining that perfect factory-style fit and finish. The T08 Series of dash kits that began shipping this year is designed specifically for the Pioneer® Modular Solutions DMH-C5500NEX 8” touchscreen in-dash receiver, covering more than 30 different popular vehicle models. Our new universal mount for this same receiver allows installers to convert almost any Double-DIN Metra kit to float and fit this 8” screen. These patent-pending designs are just another example of our innovative solutions designed for the ever-changing world of car audio. Best of all, our kits are proudly made in the USA.

Many of our existing brands continue to add to their product offerings, with new trailer accessories and safety lights from Heise LED Lighting®, along with new lightbars for a High Output, Heated, Slimline and a Super Slimline Series. Our new RGB controller and mobile app will give users complete control to change their colors with the swipe of a finger, working with all of our RGB lights. New RGB and RGBW lights will also be available in accent light kits, string light pod kits along with underwater transom and drain hole plug lights from Metra Marine®.

Our T-SPEC® and Raptor® car audio accessories have also been redesigned and improved for easier installation and even better aesthetics. T-SPEC’s v12 RCAs now have a braided outer jacket and our popular line of premium brass core accessories has been expanded with new distribution blocks, an eight-position battery terminal and fuse holders. Raptor has also upgraded its Pro Series with improved fuse holders distribution blocks that utilize a one-tool design and new, modern look.

As the aftermarket powersports industry gains even more traction, our Metra Jeep Accessories®, Metra PowerSports® and Saddle Tramp® motorcycle accessory lines continue to provide weather-resistant products that are both durable and reliable. These solutions allow installers to upgrade any ride with lighting, audio, safety and convenience features so that drivers can be seen, heard and safe on the road. Safety also remains a priority as we have released several high-tech camera systems from iBEAM®.

This year we also introduced affordable LED lighting products under our new brand, Daytona Lights™. This product line offers off-road LED lightbars, cube style lights and replacement LED headlights bulbs and decoders at an incredible value for the budget-conscious driver.

Finally, our Install Bay line continues to add new hardware, safety and electronics to supply everything needed for a top-notch install. We thank you all for your support and feedback over the years. Metra is here to help in any way. Thank you dear friends and loyal customers for once again keeping Metra “The Installer’s Choice” for 73 great years!

Warmest regards,

Bill Jones
President/CEO
Metra Electronics Corporation

**WARNING:** This catalog does not advise whether a State of California Proposition 65 warning is required for a particular item of merchandise. To learn whether a particular item of merchandise requires a California Proposition 65 warning, please be sure to look up and read the particular merchandise’s listing on Metra’s website www.MetraOnline.com, as well as read the particular merchandise’s packaging. When a California Proposition 65 warning is present on Metra’s website listing for the particular merchandise, or on the particular merchandise’s packaging, a compliant California Proposition 65 warning is to be provided to the purchasing California consumer prior to the sale of the particular merchandise.
Metra’s Turbo Kits are manufactured of OEM-quality ABS plastic and designed with exciting tolerances. Each matches the factory dash contours perfectly - with no gaps between the dash and the kit. From basic to custom installs, perfection starts here.

### CHRYSLER + JEEP + DODGE + RAM + FIAT

#### TURBO KITS

**99-6506**

**CHRYSLER Pacifica 2004-2008**
- Holds either Single-DIN or ISO-DIN units
- Metra’s patented quick release snap-in ISO mounting system with ISO trim ring

**99-6507**

**CHRYSLER | DODGE | JEEP Multi-Kit** 2004-2010
- Metra’s patented quick release snap-in ISO mounting system with ISO trim ring
- Recessed Single-DIN mount with pocket
- See Multi-Kit guide at the end of this section for applications

**99-6509**

**DODGE Sprinter 2003-2006**
**FREIGHTLINER Sprinter 2003-2006**
- High-grade ABS plastic - contoured and textured to compliment factory dash

**99-6510**

**CHRYSLER | DODGE | JEEP Multi-Kit** 2004-2008
- Designed specifically to replace Chrysler navigation radios
- Includes parts for installation of Double-DIN radios
- See Multi-Kit guide at the end of this section for applications

**95-6511**

**CHRYSLER | DODGE | JEEP Multi-Kit** 2007-UP
- New design allows for better fit of standard Double-DIN radios and includes secondary parts for short-nosed radio faces
- For classic design, use 95-6511-17
- See Multi-Kit guide at the end of this section for applications

**99-6511**

**CHRYSLER | DODGE | JEEP Multi-Kit** 2007-UP
- Metra’s patented quick release snap-in ISO mounting system with ISO trim ring
- Recessed Single-DIN opening
- See Multi-Kit guide at the end of this section for applications

**99-6512**

**DODGE Sprinter 2007-2009**
**FREIGHTLINER Sprinter 2007-2018**
**MERCEDES Metris 2016-UP**
**MERCEDES Sprinter 2010-2018**
- Metra’s patented quick release snap-in ISO mounting system with ISO trim ring
- Recessed Single-DIN opening
- Includes parts for installation of Double-DIN radios

**95-6513B**

**JEEP Grand Cherokee 2011-2013**
**DODGE Durango 2011-2013**
- For installation of Double-DIN use 95-6513B
- For installation of Single-DIN use 99-6513B
- Painted matte black to match factory color and finish

**99-6513B**

**JEEP Grand Cherokee 2011-2013**
**DODGE Durango 2011-2013**
- For installation of Double-DIN use 95-6513B
- For installation of Single-DIN use 99-6513B
- Painted matte black to match factory color and finish

### TURBO KITS

#### CHRYSLER

**300 2005-2007**
- The larger panel is painted matte black and replaces the need for the OEM NAV panel
- The included 99-6510 mounting kit makes this an all-in-one solution

**300 2005-2007**
- The larger panel is painted matte black and replaces the need for the OEM NAV panel
- The included 99-6510 mounting kit makes this an all-in-one solution

#### DODGE

**Charger 2011-2014**
- Designed with an included interface to retain the factory screen and place the aftermarket unit in the original climate control locations
- Backlit, rubber buttons to control climate functions or just control them from the factory touchscreen
- Interface also provides a video input to the factory 4.3” screen

**Dart 2013-2016 (without factory 8.4” screen)**
- Designed for Double-DIN installations
- Painted high gloss black to match the factory color and finish

**Dodge 2011-2014**
- Designed with an included interface to retain the factory screen and place the aftermarket unit in the original climate control locations
- Backlit, rubber buttons to control climate functions or just control them from the factory touchscreen
- Interface also provides a video input to the factory 4.3” screen

#### FIAT

**500 2012-2015**
- Designed specifically for the installation of Single-DIN aftermarket radios
- Painted scratch-resistant matte black to match factory color and finish

**500 2012-2015**
- Designed specifically for the installation of Single-DIN aftermarket radios
- Painted scratch-resistant matte white to match factory color and finish

**TURBO WIRE**

**Part Number Conversion**

Model numbers represent the aftermarket radio type and corresponding Turbo Wire four digit part number suffix. For specific vehicle applications, see the Turbo Wire section of this catalog and the application chart at the back. A “universal” Smart Cable with 0001 as the suffix is just the radio plug with 5 1/2” wires and no vehicle side harness on the other end.

**COMBINATION DESIRED:**

- PIONEER Radio to GENERAL MOTORS 1988-2005
- JVC Radio to NISSAN 1995-UP*
- ALPINE Radio to TOYOTA 1987-UP*
- KENWOOD Radio to UNKNOWN VEHICLE

**HOW WE DO THE “MATH” & SMART CABLE PART NO.**

- PR01 + 70-1858 = PR01-1858
- JV16 + 70-7550 = JV16-7550
- AL16 + 70-1761 = AL16-1761
- KN16 + 0001 = KN16-0001

**EXAMPLES:**

- UNIVERSAL = 0001
  - 70-1002 = 1002
  - 70-1398 = 1398
  - 70-1677 = 1677
  - 70-1720 = 1720
  - 70-1743 = 1743
  - 70-1761 = 1761
  - 70-1763 = 1763
  - 70-1770 = 1770

**AW-FIN**
**AM/FM SHARK FIN ANTENNA**
- High-gain, aerodynamic design
- Flexible wire and brass terminal provided
- Gives a superior and stylish look
- Fits over most OEM roof mount antenna bases
- Paintable
- Also available in black - 44-UA44

**44-UA20**
**ELECTRONIC MAGNETIC ANTENNA**
- High-gain amplified antenna for FM bands only
- Active magnetic type antenna working on the magnetic field associated with a conductor excited by a microwave
- Voltage pickup is nanovolts but with the magnetic type circuitry it extracts a signal with superior signal to noise ratio
- Designed for motorcycles or convertibles (not for use under metal)
- 102” coaxial cable and power supply wire
- Gain: FM - 0/6 db | AM - 2/4 db

**SATELLITE RADIO ANTENNAS**

The Metra Roof-Mount Satellite Radio Antenna specifically for SiriusXM® Satellite Radio reception have dual-mode functionality, receiving simultaneous signals from satellites and terrestrial repeaters to ensure continuous reception. These are antennas that offer all the benefits of satellite radio and compliment the vehicle’s appearance.

**FEATURES:**

1. Low-profile mounted design, safe for low-clearance conditions, including car washes.
2. Roof mount adhesive acrylic foam pads and necessary mounting hardware and color-coded cable connectors included.
3. Tested and proven to Automotive Environmental Standards shock-and vibration-proof design.

**44-SIXM**

SiriusXM® Magnet/Adhesive Mount Antenna
- Low profile mounted design
- Includes 21' cable

AMMO STYLE VEHICLE ANTENNAS

ARROW Antennas

When you think of a camo brand you are either Realtree® or Mossy Oak®. Fortunately for you, we are officially licensed for both! New for this year is Mossy Oak® Break-Up Country™ and Realtree® Xtra™. We now offer our most popular, Ammotenna 50 caliber, short arrow, long arrow and rubber mast, all hydro dipped in either US Flag, Mossy Oak® Break-Up Country™ or Realtree® Xtra™. Show your love for the great outdoors with one of our antennas today!

- Designed for AM/FM radio bands
- Fits most factory antenna bases
- Multiple adapters included
- Designed for vehicles with removable masts
- Threaded mounting
- Fiberglass mast
- Non-lethal replica

The Power of Metra’s Fit Guide
- Anytime. Anywhere.

The iPhone and Android apps are convenient intranet portals for quick access to Metra’s parts, specs, product info, installation videos and more:

• Enables an easy search of not only Metra products, but its other brands as well.

• Allows dealers and customers to browse and filter parts by vehicle specifics such as make, model, year and trim.

• Lets dealers quickly place orders for parts – no online payment needed, Metra does the rest.

• Showcases Metra’s latest product videos located on its YouTube channel.

Download it FREE at the Apple Store or Google Play
Metra's EZ-Order Product Locator provides quick, convenient reference to all product locations in this catalog.

</table>
TERMS:
Net 30 days from date of invoice on approved accounts. Minimum order: $50 per invoice, orders less than required minimum incur a $20 service charge.

FREIGHT:
Freight on board (F.O.B.) From point of shipment. Freight will be charged on all drop-shipment orders.

CREDIT:
In order to establish a credit line with metra, an application for credit must be submitted listing a minimum of five (5) trade references and a bank with their addresses and phone numbers and must be signed by a principal or authorized officer of the company. A credit line will be established by our credit manager and must be maintained in a current status according to our terms (net 30 days). Credit not established or revoked requires remittance with order. Returned checks are subject to a fee of $32.00.

RESALE TAX EXEMPTION CERTIFICATE:
CA, TX, KY, NJ & FL customers must provide a valid resale card before an order can be placed.

CLAIMS:
Title and risk of loss passes to buyer at F.O.B. shipping point and all claims must be filed with carrier. Any discrepancies must be reported to metra within ten (10) days of receipt of shipment.

RETURNS:
All sales are final. No returns or exchanges will be allowed without prior written authorization from metra. All returns are subject to a 20% handling charge, must be in a saleable condition, and must have been purchased within sixty (60) days of return request. No stock balancing permitted. Copies of invoices must be mailed in advance for any return authorization (R.A.).

LIMITED WARRANTY:
Metra warrants all of its products, including all electronic kits, to be free from defects in material and workmanship for a period of 1 year from date of purchase. Metra will, at its option, repair, replace or allow credit on any part which, in Metra's opinion, is found defective under normal use. Warranty void on items misused, altered in any way, tampered with or serviced by anyone other than Metra. This warranty of merchantability of fitness neither assumes or authorizes any other person to assume for it, any other liability in connection with its products. In no event shall we be liable for any incidental or *consequential damages, or do we assume any other liability except provided herein.

BACK ORDERS:
If an item is temporarily unavailable for immediate shipment, we will back-order the item and ship as soon as possible from the nearest available warehouse, unless otherwise instructed.

Metra reserves the right to make changes in or deletions of products or prices without prior notice.

*Metra will not assume any responsibility for damages to person or property due to incorrect interpretation of the material in this publication. Metra is not responsible for typographical or printing errors. Reproductions of editorial or pictorial content is strictly prohibited without prior consent from Metra.
