SADDLE TRAMP

Saddle Tramp and Metra PowerSport’s line of high-quality motorcycle accessories will enhance your riding experience! All products are manufactured from durable, weather-resistant materials designed to last season after season. Vehicle-specific accessories for a wide range of models by Harley-Davidson®, Indian Motorcycles®, and Victory Motorcycles® are designed with the OEM’s signature style in mind, and look just as good as they perform. Additionally, our universal products allow installers to enhance almost any system.

Our collection of radio dash kits fitted for Harley-Davidson® are made from durable ABS plastics and can be painted to match any color. We have a variety of smart innovations that include built-in electronic antennas, handlebar audio controls, LCD screen displays, water-resistant face covers and so much more. These kits let you customize your bike for a personalized look and sound. Complete your motorcycle’s aftermarket audio system with handlebar radio controls, replacement antenna masts, speaker adapters and covers, audio woofer mount kits, amplifiers, a water-resistant digital signal processor and more.

Metra PowerSports also offers a selection of universal accessories such as amp kits, micro-amplifiers, LED lights and even an outdoor camera system with a built-in DVR! Saddle Tramp and Metra PowerSports are proud to be your choice for motorcycle accessories that will have you hitting the open road in style.

99-9600
RADIO KIT
FITS HARLEY-DAVIDSON® TOURING MODELS
1996-2013

+ One piece design molded in ASA plastic offers durable support
+ Rubber trim gasket to fight moisture and vibration
+ The new harness is included and is pre-wired for the AXXESS ASWC-1 to retain handlebar controls
+ Also check out Metra’s new speaker adapters for these same models

99-9800
RADIO KIT
FITS HARLEY-DAVIDSON® TOURING MODELS
1996-2013

+ Comes with water-resistant radio face cover
+ The cover is attached to the kit using uniquely designed hinges that move the cover out and up when radio adjustments need to be made
+ Has built-in rubber opening gasket with magnetic latches to provide a water-resistant cover for the radio
+ Also check out Metra’s new speaker adapters for these same models

SAFETY CAMERA

TE-DVR-PS

WATER RESISTANT DVR

- Two cameras included for front and rear recording with two mounting options: flush mount and bullet mount
- WiFi app for playback viewing
- G-sensor built-in for collision detection
- Resolution: 1920x1080 @ 30 FPS
- Max MicroSD: 180GB (sold separately)
- Rated IP67 for both cameras and control box
- Hardware included

TE-DVR-PSEXT

TE-DVRPS REAR EXTENSION CABLE

- Extension cable used for ONLY extending the rear camera on the TE-DVR-PS
- 8’ in length
- IP67 connectors

TE-16SD

16GB MICRO SD CARD

- Compatible with all iBEAM SD recording devices
- Includes 1 MicroSD card and 1 SD card adapter
- Up to 10MB/sec recording speeds
**ANTENNAS**

44-RMMC1
REPLACEMENT MAST
**FITS HARLEY-DAVIDSON®**
- 1996-2013
+ 19” low profile antenna

44-RMMC2
REPLACEMENT MAST
**FITS INDIAN | VICTORY**
- 2012-UP*
+ Strong metal 15” antenna with black rubber cover

44-UA20
**ELECTRONIC MAGNETIC ANTENNA**
- UNIVERSAL
+ High gain “hide-away” amplified antenna for FM bands
+ Active magnetic-type antenna working on the magnetic field associated with a conductor excited by a microwave
+ Voltage pickup is nanovolts, but with the magnetic type circuitry it extracts a signal with a superior signal to noise ratio
+ Designed for motorcycles or convertibles where nothing will prohibit FM reception from getting to the antenna
+ 102” coaxial cable and power supply wire
+ Gain: FM - 0/6 db | AM - 2/4 db

44-UA200
**AMPLIFIED GLASS MOUNT ANTENNA**
- UNIVERSAL
+ Deluxe high performance windshield or glass mount amplified antenna
+ Mount on windshield behind mirror or on fixed side/back windows 14.56”(37cm) width
+ Gain FM - 10db/12db, AM -5db/2db
+ 95” cable

8 GAUGE

MOTORCYCLE AMP KIT

* UNIVERSAL

+ Designed for motorcycles
+ 6’ length of red and black T-SPEC® OFC power and ground wire with a T-Spec V8MANL fuse holder and 60 amp fuse protected by a black nylon braid
+ Pre-terminated ring terminals make connections to the battery simple
+ Two 4’ pieces of 16 gauge OFC speaker wire protected by black nylon mesh makes upgrading the factory speaker wires or adding new speakers a smart choice
+ Even for those upgrading the Harmon Kardon system, the ST-AK8 comes with (2) 47 ohm 0.5 watt resistors to keep the factory radio outputs active
+ All the necessary installation hardware is included along with a 4” x 6” hook and loop mounting pad for micro-amplifiers to hold the amplifier in place

**ST-AK10**

10 GAUGE

MOTORCYCLE AMP KIT

* UNIVERSAL

+ Designed for motorcycles
+ 6’ length of red and black T-SPEC® OFC power and ground wire with a T-Spec V8MANL fuse holder and 30 amp fuse protected by a black nylon braid
+ Pre-terminated ring terminals make connections to the battery simple
+ Two 4’ pieces of 16 gauge OFC speaker wire protected by black nylon mesh makes upgrading the factory speaker wires or adding new speakers a smart choice
+ Even for those upgrading the Harmon Kardon system, the ST-AK10 comes with (2) 47 ohm 0.5 watt resistors to keep the factory radio outputs active
+ All the necessary installation hardware is included along with a 4” x 6” hook and loop mounting pad for micro-amplifiers to hold the amplifier in place

**MPS-AK82**

2 CHANNEL

MOTORCYCLE AMP KIT

* UNIVERSAL

+ Left/right speaker wires and 2 channel RCA are 10’ long with a quick disconnect for easy removal of amplifier
+ Designed for the amplifier to be mounted in the right side saddlebag
+ 8 gauge OFC wire
+ 6’ power and ground with ring terminals terminated
+ Power/ground, speaker wires and RCAs on quick disconnect for easy removal of amplifier
+ Water-resistant fuse holder with (2) 30 amp fuses

**MPS-AK84**

4 CHANNEL

MOTORCYCLE AMP KIT

* UNIVERSAL

+ Front left/right speaker wires and 4 channel RCAs are 10’ long with a quick disconnect for easy removal of amplifier
+ Left rear speaker wire is 10’ long including a 2.5’ extension jumper for added length if needed. The extension can be removed if not needed
+ Right rear speaker wire is 3’ long
+ Designed for the amplifier to be mounted in the right side saddlebag
+ 8 gauge OFC wire
+ 6’ power and ground with ring terminals terminated
+ Power/ground, speaker wires and RCAs on quick disconnect for easy removal of amplifier
+ Water-resistant fuse holder with (2) 30 amp fuses

ONE TOUGH BATTERY

Shuriken® offers batteries for powersports, motorcycle, ATV, marine and RV applications. These batteries are designed to fit all of the most popular applications based on today's BCI and JIS fitment standards. Perfect for replacing factory batteries in most motorcycle applications.

The power cells are extremely resistant to excessive heat and strong vibration. With super-low ESR and closely packed pure lead plates, each power cell packs a punch. Shuriken® power cells are designed to deliver the constant voltage needed for optimum performance. These batteries all use absorbed glass mat (AGM) technology and are fully charged, ready to use direct from the factory. They are non-spillable and maintenance free. Because of the AGM design, they can be discharged and recharged hundreds of times and come with a one-year replacement warranty.

Metra PowerSports.com
386.257.2956
TERMS:
Net 30 days from date of invoice on approved accounts. Minimum order: $50 per invoice, orders less than required minimum incur a $20 service charge.

FREIGHT:
Freight on board (F.O.B.) from point of shipment. Freight will be charged on all drop-shipment orders.

CREDIT:
In order to establish a credit line with Metra, an application for credit must be submitted listing a minimum of five (5) trade references and a bank with their addresses and phone numbers and must be signed by a principal or authorized officer of the company. A credit line will be established by our credit manager and must be maintained in a current status according to our terms (net 30 days). Credit not established or revoked requires remittance with order. Returned checks are subject to a fee of $32.00.

RESALE TAX EXEMPTION CERTIFICATE:
CA, TX, KY, NJ & FL customers must provide a valid resale card before an order can be placed.

CLAIMS:
Title and risk of loss passes to buyer at F.O.B. shipping point and all claims must be filed with carrier. Any discrepancies must be reported to Metra within ten (10) days of receipt of shipment.

RETURNS:
All sales are final. No returns or exchanges will be allowed without prior written authorization from Metra. All returns are subject to a 20% handling charge, must be in a saleable condition, and must have been purchased within sixty (60) days of return request. No stock balancing permitted. Copies of invoices must be mailed in advance for any return authorization (R.A.).

LIMITED WARRANTY:
Metra warrants all of its products, within this catalog, to be free from defects in material and workmanship for a period of 1-3 years from date of purchase. Please visit www.MetraOnline.com for individual product warranty information. Metra will, at its option, repair, replace or allow credit on any part which, in Metra’s opinion, is found defective under normal use. Warranty void on items misused, altered in any way, tampered with or serviced by anyone other than Metra. This warranty of merchantability of fitness neither assumes or authorizes any other person to assume for it, any other liability in connection with its products. In no event shall we be liable for any incidental or *consequential damages, or do we assume any other liability except provided herein.

BACK ORDERS:
If an item is temporarily unavailable for immediate shipment, we will back-order the item and ship as soon as possible from the nearest available warehouse, unless otherwise instructed.

Metra reserves the right to make changes in or deletions of products or prices without prior notice.

*Metra will not assume any responsibility for damages to person or property due to incorrect interpretation of the material in this publication. Metra is not responsible for typographical or printing errors. Reproductions of editorial or pictorial content is strictly prohibited without prior consent from Metra.

WARNING: This catalog does not advise whether a State of California Proposition 65 warning is required for a particular item of merchandise. To learn whether a particular item of merchandise requires a California Proposition 65 warning, please be sure to look up and read the particular merchandise’s listing on Metra’s website www.MetraOnline.com, as well as read the particular merchandise’s packaging. When a California Proposition 65 warning is present on Metra’s website listing for the particular merchandise, or on the particular merchandise’s packaging, a compliant California Proposition 65 warning is to be provided to the purchasing California consumer prior to the sale of the particular merchandise.
