PRODUCT OVERVIEW

This ergonomic hand-help scrubbing tool for window tint installation removes stubborn glue and contaminants. It attaches to the top or palm of an installer's hand with an included hook-and-loop style strap to allow easier scrubbing of dirt, debris, and old adhesive from otherwise inaccessible areas of glass. The result is a clean window that promotes a smooth tint installation.

Features:

- Backing plate and hand strap with replaceable scrub pad
- Hook-and-loop style adjustable strap fits all hand sizes
- Tapered design reaches narrow areas where standard scrub pads can't access
- Heavy-duty blue pad removes glue and contaminants to prepare for tint installation
- 1-year warranty
