## 36" CHASING LED AMBIENT STRIPS EXPANSION PACK

**SALES**

386-257-2956

### PRODUCT OVERVIEW

Quickly and easily expand the ambient lighting system in the interior of any vehicle or replace damaged components with this set of two 36-inch chasing LED strips. Each light strip has an ultra-dense LED configuration and can be connected to a Heise Connect Chasing controller, sold separately, allowing users to control their lighting via the free downloadable Heise Connect mobile app for smart devices.

- Expansion pack for Heise LED ambient interior lighting kits
- Cut to length for precise installation
- For interior use only
- Works with Heise Connect HE-CHASE-CB controller
- Universal applications
- 1-year warranty

### Includes:

- (2) 36" chasing ambient LED strips with male connector
- (2) 36" 4-pin cables
