HE-RGBW-4PT HEISE CONNECT RGBW SOLDER-ON ADAPTERS

 SALES
386-257-2956

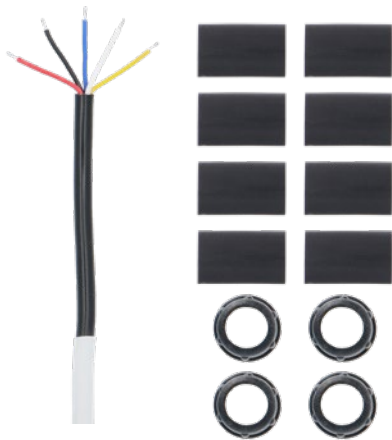

PRODUCT OVERVIEW

These convenient solder-on adapters allow you to customize and expand your Heise LED RGBW installation using your existing controller. Extend Heise LED lighting by connecting one of these adapters at the end of an RGBW strip or in-line at any point in the harness. Simply cut the LED strip or extension cable connector, solder the adapter's male and female connectors, and insert wiring for a Y adapter, rock light, or other Heise lighting product.

- Solder-on connectors for Heise LED lighting products
- Works with HE-RGBW-CB controller
- Watertight connections
- 5" length
- Universal applications
- 1-year warranty

Includes:

- (4) Female solder-on connectors
- (4) Male solder-on connectors
- (4) Threaded collars
- (8) Heat shrink tubing pieces
