MODULAR CABLE MANAGEMENT CLAMP SET

☎ **SALES** 386-257-2956

PRODUCT OVERVIEW

This convenient cable clamp set makes it easy for installers to secure and organize wiring for a show-quality audio installation. The included cable clamps feature a unique dovetail click-lock design that attaches single or bundled wires to surfaces and allows multiple clamps to be assembled in creative configurations. This innovative design keeps wires evenly spaced in straight runs or around corners. The wiring clamps are installed securely to vehicle surfaces with stainless steel screws to ensure a strong anchor for attached wiring, eliminating the hassle of failed adhesives and loosening wire bundles.

Features:
- 0.75"x 0.75" design with dual zip tie slots fits 8GA to 4GA wires or bundles of smaller conductors
- Securely anchors to vehicle surfaces
- Constructed of high-quality, UL-approved Nylon 66
- Operating temperature: -40ºF to +185ºF
- Suitable for interior, exterior, marine, and automotive applications
- Modular design with dovetail joints allows side-by-side, "L", "T", and cross-configurations for custom layouts
- Perfect for clean-wire installations
- 1-year warranty

Includes:
- 95 straight cable clamps
- 5 crossbar cable clamps
- Stainless steel screws
