PRODUCT OVERVIEW

Better Night Driving Begins with Heise.

We've perfected high-performance LED lights for almost every type of vehicle and use. Now, you can upgrade any car or truck with projector bulbs to use our ultra-efficient, long-lasting LED bulbs. This means you'll see farther at night with an instantly brighter bulb, making it a valuable investment for your vehicle and safety.

- Optimized specifically for projector housings
- Instantaneous full lumen start-up
- 10,000 lumens per set
- 9-32V DC
- 80 watts per set
- Built-in EMI filter so it will not affect the vehicle's radio reception
- Side-cable connection for slimmer installation
- Tool-less rotatable collar for beam pattern adjustment
- Built with all-metal construction
- Intelligent temperature system
- Copper vacuum liquid heat pipe
- Dual ball bearing fan
- 3-year warranty

 **WARNING:** THIS LIGHTING PRODUCT IS SOLD FOR OFF-ROAD USE ONLY. This product should not be used on the road. Keep your original factory bulbs so that you can replace them for use on public roads. Keep the box that the new bulbs came in to store the bulbs and be sure to handle them with care when removing and re-installing.
