SB120-G 120 SERIES SB[®] CONNECTOR KIT

 SALES 386-257-2956

PRODUCT OVERVIEW

This gray connector housing kit is ideal for use on battery or charger applications and provides a quick disconnect for power distribution systems. It is designed using reliable SB[®] flat wiping contact technology so that the contacts wipe or slide against each other during connection and disconnection, minimizing the build-up of any non-conductive deposits on the contacts themselves. The mated housings are color-matched for easy identification of plug and receptacle connectors.

Features:

- Current rating: 120A, 600VDC
- Housing color: Gray
- SB[®] 120 Series
- Wire gauge: 4GA
- Color-matched connector housings of same amp ratings in a two-pole design
- 1-year warranty

Includes:

- Gray connector housing
- 2 contacts
