IBEAM 7" DASH MOUNT MONITOR

SALES 800-221-0932

PRODUCT OVERVIEW

Our iBeam 7" dash mount monitor offers our largest display, to provide superb visibility. Connect two video inputs, rearview camera and a second camera feed, to offer drivers full visibility of their surroundings. Monitor base easily mounts in any vehicle using the supplied 3M tape. This larger display is an ideal solution for RVs, commercial vans or trucks, and other big vehicles, providing added visibility and driver safety.

- 7" color LCD screen
- Dash mount base with 3M tape
- 2 video inputs: rearview camera input and second video input
